## **St. Paul's Preparatory Academy**

This handbook covers the policies for the St. Paul's Preparatory Academy Early Childhood, Preschool, and Elementary programs. Revisions to this document may be made at any time as approved by the administration. All revisions made during the school year will be communicated electronically.

### **Mission Statement**

The mission of St. Paul's Preparatory Academy is to provide a Christ-centered, college preparatory education focusing on Honor, Duty, and Loyalty and training students to succeed in every realm of life through leadership and service.

### **Non-Discrimination Policy**

St. Paul's Preparatory Academy does not discriminate on the basis of race, color, or national or ethnic origin in the admissions process or in the administration of its policies and programs. Admissions are contingent upon available space, philosophy, and the willingness of the family to abide by school guidelines. The parents or guardians of a student shall commit to conducting themselves in a manner consistent with Biblical teaching on parenting.

### **Parents Defined**

Throughout the Student/Parent Handbook the terms "parent" refers to a parent, legal guardian, or other person having lawful control of a student.

## **Enrollment**

St. Paul's Preparatory Academy Early Childhood Program accepts children from 18 months to 3 years of age.

St. Paul's Preparatory Academy Preschool accepts children from 3 to 4 years of age.

St. Paul's Preparatory Academy Elementary School provides classes for children in K5 through 5<sup>th</sup> grade.

1. Children will be placed in classes according to their age as of September 1<sup>st</sup>.  
Children must be potty-trained in order to be placed in the 3 or 4-year-old classes.
2. St. Paul's Preparatory Academy reserves the right to move a child from one class to another based on developmental needs or class size.
3. An enrollment form, records from previous schools, and immunization records, as well as the registration fee, must be turned in to the school office before the admissions process can continue. Once the requisite items are turned in, parents will be scheduled for a personal interview with an administrator prior to final admittance.
4. Admissions testing.

Please notify the school at least two weeks prior to the start of the term should it become necessary to withdraw a student from the program.

After enrollment, St. Paul's Preparatory Academy reserves the right to dismiss any child that seems unprepared for a group experience or if either the parent's or child's behavior toward a child, staff member, or another parent is deemed inappropriate.

The decision for dismissal will be made after conferring with the parent, teacher, and administrator.

### Admissions Testing

- Students entering preschool (K3 and K4), as well as Kindergarten (K5), students take the SPRT – an individually administered assessment.
- Students entering 1<sup>st</sup> grade take the ABeka Developmental and Placement Test.
- Students entering 2<sup>nd</sup> through 5<sup>th</sup> grades take the math, language, and reading portions of the Stanford Achievement Test.

- Additional testing in math may be needed for proper placement.

### Provisional Acceptance

Records from previous schools or results from placement testing which indicate a significant academic difficulty may result in a provisional admittance. If the student proves to be capable of succeeding at St. Paul's Preparatory Academy, the provisional status may be lifted; however, if the student is unable to prove successful, another placement may be recommended.

## **Arrival and Dismissal Procedures**

### 1. School Hours:

- a. Classes run from 8:00 am to 3:30 pm.
- b. Students may not be dropped off prior to 7:30 am without being enrolled in Before School Care.
- c. Students arriving between 7:00 and 7:30 am must enter through the south doors by the church office and proceed directly to the gym. Students must be signed in by a parent or the Before School Care teacher.
- d. Dismissal is 3:30 PM. We ask that students not be picked up early except in an emergency situation so that instructional time can be maximized.
  - i. Students must be picked up by 3:45 pm from the east doors unless enrolled in After School Care.
  - ii. Families will be assigned a dismissal number. For student safety, children will only be placed in with a driver showing an official carpool sign issued by the school. Any person in the carpool line who does not have the official sign, will be required to park and enter the building. The staff member at the dismissal table will be responsible for identifying the driver as being authorized by the Student Pick-Up and Release form before the student will be released.
  - iii. Any student not picked up by 3:45 pm will be sent to the After School Care table and charged the appropriate fees.

2. All visitors must check in at the school office and obtain a visitor's badge.
3. Children will only be released to those persons authorized on the enrollment form. Any changes to this form must be made in writing by the parent and given to the school office.
4. Consistent and prompt attendance is strongly encouraged as this promotes responsibility and accountability in our students and results in a more effective classroom experience. If your child will be late or absent, please call or email the office by 10:00 am.
5. Because we are required to maintain records for each student regarding immunizations, we cannot allow visitations from children who are not enrolled in St. Paul's Preparatory Academy.

### Inclement Weather

It may be necessary to close or delay the start of school due to ice, snow, or other inclement weather. It may also be necessary to dismiss early. All closings, delays, and early dismissals will be reported to major area radio and television stations and posted to the St. Paul's Prep website.

## **Parental Involvement**

Education is most effective when parents and the school work harmoniously in support of the student; therefore, parental involvement at St. Paul's is welcomed and encouraged. Parents are provided opportunities throughout the school year to become involved in the classroom and in support activities. Some of the programs and activities that are available for parent involvement are listed below.

- Classroom Parties
- Carnival Sponsors/Workers
- Catered Lunch Wagon
- Friends of the Library
- Field Day Leaders
- Teacher Appreciation

Additional volunteer opportunities may become available during the school year. All parent volunteers are required to complete the Volunteer Service Application and a background check. Contact the Volunteer Chairman through the school office for more information.

### Classroom Visitations

We welcome visitors to our classrooms; however, we want to minimize the disruption to instructional time. Therefore, we ask parents who wish to visit classes do so within the following guidelines.

1. Contact the school registrar in advance to schedule a time to visit that coincides with the class you wish to observe.
2. When you arrive for your classroom visit, sign in at the school office to obtain a visitor's badge.
3. At the end of your visit, return to the school office to sign out.

## **Financial Information**

### Tuition and Fees

St. Paul's Preparatory Academy endeavors to keep affordable tuition rates for the benefit of each parent. For that reason, we conduct annual fundraising events and anticipate each student's and/or parent's participation in helping to raise necessary funds for designated school projects. St. Paul's Prep receives no federal assistance other than its tax-exempt status.

With advance registration, tuition for the school year is divided into ten equal payments beginning in July and ending in April. If registering late, tuition will be divided into equal payments starting at the time of admission with the final payment being made in April. Tuition is paid in advance; in cases of early withdrawal, refunds will not be issued.

Book fees are divided in half and collected in May and June or at the time of enrollment.

### Overdue Accounts and Payment Information

Unless paid in advance, tuition payments are automatically debited from your account through an ACH withdrawal form. If the automatic withdrawal is unsuccessful, a valid credit card will be required for that month's payment. If an account becomes more than 30 days delinquent, a letter from St. Paul's Prep will be mailed advising that the student may be dismissed if the account is not made current.

Report cards, test results, and transcripts will be withheld for any student who withdraws with an outstanding balance. Students may not be allowed to participate in graduations, school programs, special events, or sports programs until all tuition and fees are paid in full.

A \$25 service fee will be charged for any check or ACH withdrawals returned for insufficient funds. If two payments are returned, the account will be put on a cash only status. Postdated checks will not be accepted.

Students enrolled one day or more of any month will owe the full month's tuition.

### Refund of Tuition and Fees

At St. Paul's, all tuition and other charges are based upon an estimated cost of providing educational services to all students enrolled. When you enroll your student, we execute an enrollment contract. Your signed and returned enrollment contract guarantees a space for your student and indicates that you will be responsible for payment of the tuition and fees associated with enrolling your student at St. Paul's Preparatory Academy.

If you find it necessary to withdraw your student after enrollment is complete, please contact the school registrar as soon as possible. Any tuition and fees collected before the date of withdrawal are nonrefundable and nontransferable.

Refunds will not be issued for students who are dismissed or are withdrawn for disciplinary or academic reasons.

## **Communication and Notification**

1. Communication is of the utmost importance in promoting cooperation between parents and the staff of St. Paul's Preparatory Academy in providing the best educational experience possible for the students. For that reason, St. Paul's Preparatory Academy faculty and staff welcome constructive communication from parents at any time.
  - a. Faculty will provide information regarding daily schedules, classroom policies, school events, as well as any other important information through written notices or email.
  - b. Please inform the teacher or administrators of any situation or change in routine that might affect your child's classroom behavior or performance. Faculty and staff can be contacted through their staff mailbox by leaving a note or letter with the school registrar or by email. Most emails will be responded to within 24 hours during school days.
  - c. Conferences can be scheduled by contacting the school office or the faculty member you wish to meet with.
  - d. Our staff's family time is precious, so we ask that you refrain from calling staff at home or addressing school issues at church.
  - e. The school registrar is not free to leave the office to deliver messages or to call parents on behalf of other parents. Please make any needed after school arrangements before the start of the school day.
2. St. Paul's Early Childhood Program is licensed by the Department of Family and Protective Services of the State of Texas. All of the guidelines for operating procedures, administration of the school, and laws are outlined in the Minimum Standards. A copy of this document is on file and available in the office or at [www.dfps.state.tx.us](http://www.dfps.state.tx.us). The local DFPS office can be reached at 817-321-8604.

3. St. Paul's Preparatory Academy employees are trained on recognizing the symptoms of abuse and stress. Furthermore, it is required by law to report suspected abuse or neglect (sexual, physical, or emotional) to Child Protective Services. This information is kept in the strictest confidence between the reporting staff member, the administrator, and the Child Protective Service representative. Child Abuse Hotline: 800-252-5400.

Failure to provide any of the above documentation will be grounds for dismissal.

## Student Emergency Contact Form

Student emergency contact information is required for every student at the time of enrollment. Please notify the school of any changes in the supplied information for emergency contacts. If there are any major changes in your child's health including recent major medical procedures, changes in medication, etc. notify the school office immediately. In case of an accident or sudden illness, every attempt will be made to reach a parent; however, in the event that a parent cannot be reached, the listed contact person will be called.

### **Illness**

Students with the following symptoms will be sent home from school:

- Temperature of 100° or higher
- Vomiting
- Diarrhea
- Severe coughing
- Unknown rash
- Or repeated visits to the school nurse.

For fevers below the 100° threshold, parents will be called to discuss the student's symptoms and the proper action to take for the welfare of the child and the other students in the school. Students should be free of the aforementioned symptoms for at least 24 hours before returning to school. In the case of a fever, the student should be symptom free for 24 hours without the use of fever reducing medication. Students sent home with one of the listed symptoms will not be allowed to return to school the following day. Students who are sent home with fever or rash must check-in with the school nurse the morning they return prior to attending class.

In consideration of other students and staff, please do not send your child to school if he or she has any of the following symptoms or conditions:

- Infectious condition

In the event a student contracts a communicable disease, it is expected that the parents will notify St. Paul’s as soon as possible. A written release from a physician will be required before the student is permitted to return to school.

### Hospitalizations

Students will not be allowed to return to school following a hospitalization for illness or injury until the school nurse has received an official written release from the physician authorizing the student to return to school. The physician must indicate any restrictions, on activity or otherwise, for the student.

## **First Aid and Medication**

### First Aid

A school nurse is on staff and teachers are provided first aid kits equipped with bandages and antiseptic to assist students with cuts and abrasions. Students are

required to have a pass from a teacher to visit the school nurse, except in an emergency.

### Incident Reports

If an accident or injury occurs during school hours, the faculty or staff member who was supervising your student at the time will complete a written Incident Report. This will be signed by the school nurse or an administrator and kept on file in the school office.

### Medication

In order for your child to receive any medication (over-the-counter or prescription) at school, an Authorization for Administration of Medication (available on the website) form must be completed and on file in the office.

Additionally, the following guidelines must be followed:

1. Medication must be kept in the school office and is not permitted to be left in your child's backpack or in the classroom.
2. Medication must be in its original container and labeled with your child's name.

Texas State Law allows students with asthma to carry and self-administer their own inhalers provided certain conditions are met including having an Authorization for Administration of Medication on file in the school office.

Parents are responsible for any medications that are sent to school and must go home at the end of the day. Students should return to the office before dismissal to obtain their medication. When bringing medications to school, please have your pharmacist label a second bottle for school use.

## **Emergency Preparedness Plans**

St. Paul's Preparatory Academy has plans for emergency evacuations and severe weather safety in accordance with Texas State Law requirements. Documentation of emergency plans and drills is available in the school office. Evacuation and safety drill charts are - posted in each classroom.

Evacuation practices are conducted and recorded in an orderly fashion. Fire drills are held monthly throughout the year in accordance with state and local guidelines. Students are instructed in proper escape routes and procedures during the first week of school.

If we are required to evacuate the premises for any reason, we will first attempt to contact parents, if time is not a factor. If time is a factor, we will begin loading children on the van, bus, and in cars to transport them to Faith Child Development Center.

## **Special Activities**

### Field Trips

Field Trips taken during the school year in Grades 1-5 are fun and informative learning experiences designed to enrich the curriculum of St. Paul's. The Parent Authorization Form, which must be on file before your child begins school, releases the school from any liability. The following rules apply to field trips:

1. Field Trips are for current St. Paul's students only.
2. Any student on disciplinary probation may be excluded from field trips.
3. School rules, regulations, and policies are in effect on all field trips.
4. Proper attire for the field trip will be communicated by the sponsoring teacher.
5. Parent volunteers are secured in advance and must have all forms completed and turned in – as outlined below.

### Parent Volunteers

Parents who wish to assist with transportation must have a completed Driver's Information Form, including copies of current vehicle insurance information and driver's license. Any parent who wishes to chaperone a field trip must have completed a background check prior to the activity.

## Parties

Because of the secularization of many holidays, the following guidelines will be used in the handling of class parties:

- Halloween – Halloween is not observed. All St. Paul’s families are invited to participate in the Fall Carnival.
- Thanksgiving – Thanksgiving is observed as a time to give thanks for the many blessings the Lord has given us. We celebrate at school by honoring our grandparents on the Wednesday morning before Thanksgiving.
- Christmas – Class parties may be planned with an emphasis on the birth of Christ.
- Valentine’s Day – Class parties may be planned. Valentine’s is observed as a celebration of friendship and the love of God. Valentines may be exchanged provided students bring one for each class member. Derogatory or negative cards are not acceptable.
- Easter – An All School Chapel is planned with an emphasis on the death, burial, and resurrection of our Lord Jesus Christ.

## Birthdays and Special Occasions

A child’s birthday is very special. If you wish to provide birthday refreshments at school, your child’s teacher must be contacted at least five school days in advance to set up an acceptable day and time. School parties are not the appropriate time to exchange gifts or bring party favors. We ask the following guidelines be followed when organizing parties to take place outside of school:

1. Invitations may only be distributed at school if there is one for every child in the class or for all the boys or all the girls.
2. After school carpool should not be utilized as pick up times for parties.
3. Flowers, balloons, or other gifts may not be delivered to students during the school day or at any school-sponsored event or program.

## Academic Policies

### Class Placement

It is our goal to balance each class with equal representation of boys and girls, but it is not always possible. Placement is based on the educational and social needs of each student and is decided by the faculty and administration. Requests for specific teachers will not be honored.

## Homework

The primary purpose of homework is to develop responsibility and accountability. It is assumed that homework will be a regular part of school life – with increasing time and diligence required as a student progresses through each grade. In general, homework serves as skill practice, enrichment, and application of a given unit of study. Major project assignments are given days or weeks in advance and students may choose to use weekend time to work on them.

Homework will take approximately 10 minutes a day per grade level (e.g. 1<sup>st</sup> Grade = 10 minutes, 2<sup>nd</sup> Grade = 20 minutes, etc.) not including Bible memorization, test preparation, projects, or reading assignments. Each student may spend more or less time on homework depending on their ability, organization, use of time, homework environment, and other factors.

For good communication and to avoid late homework, parents should review the student's daily assignments. If at any time there is a question regarding an assignment, please contact the teacher.

## Missed or Late Work Policy

A student has one day for each day he or she is absent to make up any work or tests that are missed during an excused absence. Late work (or makeup work for unexcused absences) will have points deducted in accordance with the policy communicated by the instructor.

## Academic Probation

Students are placed on academic probation if they receive two Fs at the end of a semester grading period. Parents will be informed of the probationary status. Once notified, a student will remain on academic probation for one calendar year (12 months/two semesters). During this time, St. Paul's faculty will make every effort to assist the student in making the necessary academic improvement.

### Promotion to the Next Grade

If your student is consistently struggling academically or socially, a parent conference will be scheduled to discuss the possibility of retention for the following year. Students may not be promoted to the next grade if they have a failing yearly average in math or reading. Summer school may be an option in assisting a student to achieve promotion. This course of action is taken at the discretion of the administration.

### Online Grade Portal and Report Cards

Parents with students in 1<sup>st</sup> through 5<sup>th</sup> Grades will have access to their students' progress by utilizing the online grading system, Chalkable InformationNOW. A username and password are required to access this system. Detailed information for setting up an account is provided to parents at the beginning of the school year.

Report cards are issued every nine weeks at the end of each quarter. Report cards for students in K3 through 5<sup>th</sup> Grade are sent home with the students.

### Textbooks

St. Paul's assigns textbooks for student use. Additional copies of textbooks may be purchased for use at home. Textbooks assigned to students are to be returned at the end of the year or upon withdrawal of the student. Parents are responsible for replacement costs of lost or damaged textbooks.

### Supplies

Supply lists for 1<sup>st</sup> through 5<sup>th</sup> Grade can be found on the St. Paul's website ([www.stpaulsprep.com](http://www.stpaulsprep.com)). All school supplies should be purchased prior to the start of the term, labeled with the student's name, and brought with you to orientation.

Supplies for the EC through K5 classes are provided by St. Paul's.

## **Physical Education & Athletic Programs**

Physical health and wellness is an important part of a well-balanced life. St. Paul's provides for the wellness of its students by providing Physical Education classes and the opportunity to participate in competitive athletics programs. Competition and recognition coupled with character-developing coaching compliments the school mission and is a great opportunity to become part of the school community.

### Physical Education

The Physical Education uniform is required for all PE classes. It consists of the St. Paul's PE uniform shirt and St. Paul's uniform athletic shorts. These will be available for sale during Orientation and from the Athletic Director's office.

If a student has a physical challenge or illness that limits or prohibits participation in Physical Education classes or other activities, the school requires documentation from the family physician indicating the reason for the limitation and the period of time for which the limitation is valid. Notes regarding eligibility for Physical Education or athletics should be addressed to the Athletic Director.

### Elementary Athletics Programs

St. Paul's offers many opportunities for students and parents to be involved in youth sports. Team sports and summer camps are available. St. Paul's works with the Christian Schools Athletic Fellowship (CSAF), and other local leagues, to create a safe and positive environment for cultivating student athletes for future participation in sports at both the Elementary and Secondary levels.

## **Attendance Policy**

It is expected that all students arrive promptly for the start of their classes and remain the entirety of the school day with exceptions being made for emergencies, appointments, preapproved absences and illness. The staff of St. Paul's keeps an accurate record of all absences. The record of absences is recorded on the report card. The Texas Education

Code states that students must be in attendance a minimum of 90% of the school year (158 days) or the students run the risk of repeating the grade level. A letter is sent home after a student reaches 10 absences.

### Absences

The following procedures apply to absences:

1. The school office must be notified by email or phone (817-561-3501) no later than 10 am if a student is going to be absent.
2. Students returning from an absence must supply the teacher with a written excuse from a parent stating the reason for the absence.
3. A student who is present for the first two hours of school will be counted as present.
4. Students in K3 through 5<sup>th</sup> Grades will receive missed assignments directly from their teacher.
5. Parents may request that the teacher prepare make-up work for an absent student to be picked up at the end of the school day. All requests for make-up work must be made before 10am.
6. Students must make up all work missed due to absences. Students or parents are required to make arrangements for missed work. Work missed due to an excused absence follows the Missed or Late Work Policy.

### Types of Absences

- *Release from Class:* An absence which is initiated by the school and given prior approval by an administrator such as field trips and school sponsored activities. These are not recorded on the student's report card.
- *Excused Absences:* An absence due to student illness, an unavoidable emergency, doctor's appointment, or a death in the family. In order to excuse an absence a written excuse from a parent (or treating physician in the case of a doctor's appointment) must be received within three days of a student's return to school.

If a written excuse is not received, the absence will be counted as unexcused and carry the academic penalties associated with such absences.

- *Pre-Approved Absences:* Approval for absences for the purposes of family vacations, church retreats, or mission trips must be requested in writing from the administrator at least one week in advance. These absences are recorded on the report card, but do not carry any academic penalties. All make up work must be requested from the teachers at the time of the written request. Students are allowed up to five pre-approved absences.
- *Unexcused Absences:* All other absences are unexcused and are recorded on the student's report card. Any work missed due to an unexcused absence is subject to a penalty in accordance with the guidelines set by the teacher.
- *Tardy:* Any late arrival to the start of the school day or to an individual class is counted as a tardy. Tardies may be excused following the same guidelines as absences. An accumulation of three unexcused tardies counts as an absence for the purposes of perfect attendance awards. In the event of excessive tardies, an administrator will contact the parents.

## **School Services**

It is the mission of St. Paul's Preparatory Academy to prepare students at all grade levels to be information literate and lay the foundation for them to be life-long learners and seekers of God's truth. Toward this end, we seek to inspire, motivate, and challenge them through the use of the printed word and the use of technology.

### After School Care

After school care is committed to providing a safe and fun environment for your child to play or study – a place where play encourages children to make friends, to

share thoughts and ideas, and to spend time with caring adults. After school care is available to St. Paul's students in Early Childhood through 5<sup>th</sup> Grade for an additional tuition.

### Library

Students in the Early Childhood Program through 5<sup>th</sup> Grade have access to the school library from 8 am to 4 pm. Students can utilize the computers and books contained within the library for research and access to reading material for classes. While the library maintains an open door policy, it may be reserved at specific times by the faculty for the use of their classes.

There is a limit to the number of books a student may check out at any time based upon their grade level. Once that limit is reached, no other books can be checked out until the others are returned. Books are loaned out for a specific period of time. A renewal system is available if a student needs an extension of the time limit.

Any lost or damaged books or equipment must be replaced at the cost of the parents. Charges are paid through the Business Office. Any outstanding balances will result in the withholding of the final report card and school records until all such fines are paid.

### Lost and Found

All personal possessions including outerwear, class materials, lunchboxes, musical instruments, sports equipment, etc. should be labeled with the student's name. Lost and found items will be kept in the maintenance closet and can be claimed by a parent or student. Any items which bear the St. Paul's logo and remain in the lost and found at the end of a quarter will be washed and sold in August. All other items will be taken to Mission Arlington.

## **Disciplinary Policies**

At St. Paul's, we believe God has ordained that the primary responsibility for teaching children right behavior and attitudes belongs to the parents. St. Paul's Preparatory Academy reinforces the lessons learned at home by providing an atmosphere of order that is essential in allowing a student to lead a Spirit-controlled, Christ-like life. The faculty is responsible for defining behavioral boundaries, appropriate to the developmental capabilities of the student, consistent with the Biblical principles upon which the school was founded.

At the beginning of each year, teachers advise students of all the school and classroom rules, as well as, the classroom procedures they will be expected to follow. A student who disobeys school or classroom rules or verbal instructions given by a teacher will be subject to disciplinary measures appropriate to their age and development, including the loss of privileges, separation from the class, or visits with the administrator. Decisions regarding disciplinary action are final and made at the discretion of the teacher and administration.

The purpose of discipline is the instruction of proper behavior and the restoration of the student to right-standing with God, the faculty, and their fellow students. Any disciplinary action taken by the administration or faculty has that mission at its heart.

### **General Guidelines**

It is the expectation that all students at St. Paul's Preparatory Academy will behave in a proper fashion at all times within the classroom and during school activities. It is also expected that students will conduct themselves in a manner that reflects their Godly foundation, their testimony, and the testimony of the school both in and out of school. Disciplinary action will be taken for any violations of the Student Code of Conduct that take place whether at school or elsewhere.

- Students should maintain a positive attitude toward the school, their instructors, other students, and the Code of Conduct. They should understand that they have been given the privilege of a Christian education and often many sacrifices have been made to allow them this opportunity.
- Students should be punctual in attendance to all classes, chapel, special programs, lessons, and appointments.
- Students are to obey and respect all authority. Disruptive attitudes are not tolerated.

## Definition of Disciplinary Terms

### Disciplinary Action

Disciplinary action may include the forfeiture of privileges, separation from the class, phone calls home, parent conferences, Saturday school, in-school suspensions, removal from athletic teams, disciplinary probation, or expulsion from school. Parents will be informed of any disciplinary action taken.

### Suspension

Suspension is the withholding of a student's privilege to attend classes for a set period of time in order to reflect upon the seriousness of his or her behavior and take the necessary steps to correct the behavior and/or attitude that lead to disciplinary action being taken. Suspension can be in the form of in-school or out-of-school suspensions. A student who is suspended will be immediately placed on disciplinary probation. A re-admission conference between the parents and an administrator is necessary before a student's return to classes.

During in-school suspension, the student is removed from classes and placed in the supervision of a staff member at school to complete coursework apart from their fellow students. They are allowed a lunch break and bathroom breaks during the course of the day.

Students given an out-of-school suspension will be unable to attend classes or participate in any school-sponsored activities for the term of

their suspension. The student is required to make up any work that is missed during their suspension.

### Disciplinary Probation

Students who accumulate a series of minor infractions or who commit a major infraction will be subject to disciplinary probation. While on probation, the student's behavior will be closely monitored by the faculty and school administration. Disciplinary probation may include the denial of privileges or participation in school activities and programs. Methods to address behavioral change may be recommended. Any student who is unable to meet the standards of St. Paul's will be dismissed from the school.

### Expulsion

Expulsion is the dismissal of a student from St. Paul's Preparatory Academy. Expulsion will be required if it becomes apparent that the school is not able to meet the needs of a student; the student or family is unable to abide by the guidelines set forth in the Parent/Student Handbook; or if a student's behavior is preventing classroom instruction.
